We are currently looking for employees that are family friendly to work at Birchland Ocoee Farms. Due to TN Labor Laws, we seek to recruit employees that are at least 16 years old. Appearance must be neat: no piercings anywhere but ears, hair must be out of face, (If hair is long, it must be pulled back or a hat is worn). Tattoos must be covered, if possible. Our seasonal team member positions are part-time, seasonal, and varied but do require a certain amount of availability to be considered. The more often you are available to work, the more likely you are to be scheduled. Everything we do is dependent on the weather, so do not rely on this position to pay rent, groceries, etc. We could get rained out and not be able to offer the hours you were expecting.
