

Sunflower "Daze" @The River Maze

Who: Birchland Ocoee Farms (home of The River Maze)

www.TheRiverMaze.com

What: Come walk through our sunflower maze with its brilliantly colored sunflowers. You do not want to miss the stunning views here!

When: We aim for an early July to late July opening of our field. As always, Mother Nature is in charge and it all depends on what our weather is like from planting (May) through July. Sunflowers like a decent amount of rain and will bloom faster if it's hot. Our sunflowers are in bloom for approximately two weeks. For our 2020 sunflower experience, we will update more when we get closer to opening. We are hoping to be open for the weekend of July 10th s through the weekend of July 24th.

Where: 1371 Hwy 64, Benton, TN 37307

Ph. 423-650-0710

Why: Sunflowers are beautiful, and we all need a reason to smile these days. We want to offer a unique opportunity for friends and families to create memories together. What better way than to enjoy a field full of beautiful blooming sunflowers for unique photo opportunities and amazing views!

The Sunflower Maze

How: General Public Admission tickets are \$10 per person at the farm. Each ticket includes admission to the sunflower maze, a ride out to the field, if desired, 1 U-cut sunflower to take home with you, family activities at the farm, and Bounce Back Ticket for admission to fall activities. Children under 3 are free. Concessions will be available.
